

ANNUAL MEMBERSHIP PACKET

2025 Season

Atlas Valley's Championship golf course provides golfers with a beautiful, distinctive and challenging golf environment. Atlas Valley is perfect for all levels of players from the most experienced to beginners just starting their golf journey. The course was designed by the famous Mr. Tom Bendelow, who was known as the Johnny Appleseed of Golf. He designed over 600 courses from 1868-1935. His most notable major championship designs are Medinah C.C. in Chicago and East Lake Golf Club in Atlanta.

Our goal is to offer a semi-private country club environment at an affordable price in a fun, relaxed atmosphere. Since acquiring the club in 2019 we are proud to report that the club has gone through a comprehensive renovation which includes but is not limited to: brand new clubhouse, handcrafted brick exterior, complete interior update, new banquet facility with gorgeous fireplace, outdoor patio with fire pit, updated dining rooms, newly remodeled bathrooms, new irrigation system, cart path work and all new course bunkering.

Becoming an Atlas Valley annual member provides you the following amenities: unlimited golf, access to all members-only club events, tournaments & leagues, 14-day advanced tee time bookings, member charging privileges, first come, first served bag storage, and lockers. We have also renovated the space across from the golf shop to house two Trackman Golf Simulators which are available for year-round use!

Due to our semi-private model we have limited annual membership openings, we invite you to schedule a time to come take a tour and be part of a club that is redefining the membership experience.

If you should have any questions, or need additional information, please do not hesitate to call the Atlas Valley Pro Shop at (810) 636-9501 ext 104.

WELCOME
